Hi [REDACTED]

Re the warehouse, is it workable from a Sydney location (sending a Syd-based cameraman)? Our facility in Syd Olympic Park is more advanced in readiness than the Queanbeyan site. Let me know and, if so, we can tee up a time.

With remote voting, we'll work on getting you raw footage. In the interim, you may also be able to just scrape stuff from <https://www.youtube.com/watch?v=pcRpYkJZBEk> or pan on high res stills from <https://www.flickr.com/photos/auselectoralcom/albums/72157710806573631>.

I've also talked to the Commissioner re Peta's interview and he's happy if we setup in the AEC's new command centre for it. Anyway, there'll be options to do that or an office backdrop when you get here on the 14th.

Cheers

Evan

Hi [REDACTED]

Many thanks for sending these through. I will have a look and come back to you, and yes very interested in the vision of the remote polling team, and the latest from Evan regarding access to the AEC warehouse facility.

Regards,

[REDACTED]

Hi [REDACTED],

Evan asked me to send you a range of overlay footage of AEC activities / voting in action. There's a bit here but feel free to let us know if you'd like anything different and we'll see what we can do. The Interview time is locked in, which is great. We're still looking into getting you into an AEC warehouse facility and Evan will come back to you on this.

1. Printing of postal vote applications, and general warehouse stuff:

We are also trying to source some shots of our remote polling team. We will forward them to you once we receive them.

Let me know if there is anything else I can do,

Thanks,
