Redland Hospital: Let's fight for fair funding

23 December 2019 · 🌐

Labor always adds in the Commonwealth funding (increasing 14% each year) to their State money - to hide their cuts. Clever, but not clever enough. Numbers please guys.

**AN EXTRA \$2.8 BILLION FOR PUBLIC HOSPITALS:**

**- MORE BEDS.**

**- SHORTER SURGERY WAIT TIMES.**

**Labor** A FAIR GO FOR AUSTRALIA

As Treasurer, Scott Morrison wrote hospital cuts into every one of his budgets. If I'm Prime Minister, I'll reverse the Liberals' cuts to hospitals.
