Queensland Labor ripped \$39million out of Mater South Health and this lovely lady was left in a hospital corridor on a trolley for three days. The solution is not a cent less than a \$330million clinical upgrade. The Labor solution is (YET) another study. #Redland #Health #NoRightToGovern

Redland Hospital: Let's fight for fair funding

Published by Andrew Loring · 11 · 16 April at 10:31 ·

This amazing woman endured three days lying on a trolley at Redland Hospital before one individual right, then discharged next morning. Is this how we treat our Queensland Labor studies?

Redland Hospital: Let's fight for fair funding

26 April 2019 ·

To prevent ladies like this lying for three days on hospital trolleys in corridors, how much money must be invested in clinical upgrades to Redland Hospital: Let's fight for fair funding?
