

## RICHARDS PROMISES

## BUT IN REALITY

Duplicating Cleveland Redland Bay Road **NOW** and delivering key island infrastructure including new ferry terminals

Nothing but a traffic light at Anita Street with single-lane north. No schedule nor plan for the rest .

Upgrading Redland Hospital with new carpark and new **Intensive Care Unit + 32 bed ward NOW** and designing **NOW** for a **full hospital expansion**

There is nothing happening at the hospital now.

Investing **NOW** in our schools including **airconditioning & solar** for all our Redlands schools.

Not a single aircon installed in 3 years; now they are installing but with no power connected.

More **Police** and new **Mobile Police Beats NOW**, keeping Queensland **safe**, and strong Covid-safe borders.

Less Police as they're being redeployed to quarantine and border control.

Delivering our **economic recovery plan NOW**. Investing in **infrastructure NOW** and creating **local jobs**.

QLD unemployment is higher than locked-down Victoria. We have the worst business failure rates and highest long-term unemployment rate in the nation.
