Hi All,

It is time for the weekly ELT reporting. Unfortunately I didn't properly save my uploads last week, so they are missing from last week's reports. As a result, the tentative list for this week is as follows:

S 22

For completeness, I am still circulating to make sure there aren't any other priority upcoming events, highlights, issues or potential risks for this week. Otherwise the above points will be submitted to Rachel for approval.

Last week's report is attached for reference.

Thanks,

Meg
