Subject: File note - conversation regarding Notice under section 321F of the Commonwealth Electoral Act [SEC=OFFICIAL]

Hi all

I called § 47F at 11:06 today for 2 minutes.

I said that I was responding to her email asking about the Notice. I explained that we required a response to the Notice, following the steps outlined in the Notice. If there is no information stored on Facebook it would be useful information for us to see that Facebook comes back with no posts from her on the page in question.

§ 47F

I said that what is of interest is what occurred in 2019 in between the dates listed in the notice.

§ 47F replied that she doesn't know what she did last week let alone in 2019.

I said that Facebook stores everything and it is possible to select the relevant date range when using 'download your information'.

§ 47F replied that that it would be helpful for me to explain the steps regarding how to 'download your information'.

I said that I would send her an email with the steps.

Louise
