Hi Andrew

FYI regarding the below; although it's only an allegation, it may be referred to the AEC for misuse of the electoral roll.

I've tried to reach Mark in Media (Evan is out of office) to see if they've had any queries.

Allegation

I have seen people commenting on Twitter today to say that MP Andrew Laming has been accessing the confidential details of the people within his electorate. Then without invitation rocking up at their homes because he wanted to have sex with them!

I have phoned the AEC today and Craig has suggested I submit a complaint to have it investigated.

I have not personally been contacted, but after reading more Han one account of this online it does not sit well with me so wanted to make contact. I do not require to be contacted for updates.

This is a link to one of the tweets I read today:
