Hi team,

I've just lodged a webform (reference: CVL44I3JUPLFJ2RU3CHY3WQNRA) about s 47F, which has been flagged with the AEC by social media users. Both the host and the guest repeatedly make misleading claims that the Australian federal election was compromised by fraud throughout the first 20 minutes of the video. Additionally, the video makes similar claims about the 2020 US Presidential election at timestamp 19:20.

Thanks and kind regards,
