Hi s 47F

Great timing as was looking to send something out today on statement of intent.

1 July is good for my and Evan's teams so will look to put something in. What timing options are available from your side?

Kind regards
Julie

Hi Julie,

Hope you have been well and had a chance to rest since the election.

The TikTok Public Policy team will be in Canberra 1 July, and I was wondering whether it would be an opportune time for us to have a post-election catch up and potentially discuss the Statement of Intent and upcoming state elections.

As you are aware we have been working closely with Evan's team and the EIIF as well, so we'd be happy to meet with everyone together but I thought I would reach out to you first.

Let me know your thoughts!

Kind regards

s 47F

Many thanks s 47F appreciate your responsiveness noting we are presuming this comment is in relation to the changes to secure telephone voting eligibility.

Cheers

Julie

Hi Evan, Julie

Hope all is going well (as can be) today.

Just thought I would let you know that yesterday we took note of the rule change regarding postal voting and have updated and applied our electoral misinformation policy accordingly.

We have taken appropriate action on content that promoted now out-of-date information on the election and voting rules.

Best of luck!
