Subject: Electoral misinformation - s 47F [SEC=OFFICIAL]

Hi team,

Our social media team have last night identified s 47F from the s 47F TikTok account. After reviewing it, we've identified two issues:

- 1) 7 April is not a deadline for enrolling to vote or updating your enrolment. The enrolment cutoff date has not yet been announced (it will be announced at the same time the election is called). This means the post could mislead about the deadline for enrolling to vote, potentially disenfranchising young voters.
- 2) The s 47F account is not authorised.

Please let me know if we can provide any more information here. Happy to discuss further.

Thanks and kind regards,
