Good morning Jennifer,

I hope you're keeping well - thank you for sending through the Teams link for Friday's meeting.

Can I please confirm if you will need all Twitter emails supplied for this invite, or will our attendees be able to join via the provided link? As mentioned, it would be great to receive a list with the full titles of the AEC and EIAT attendees ahead of the call.

Appreciate your partnership in organising what should be a valuable engagement, please let me know if you have any questions and I'll be happy to help.

All the best,

AEC attendees are the usual suspects across Legal, Social Media and EIAT teams, we might have a few extras joining us from EIAT more broadly, but will fill you in once confirmed.

Hi Jennifer, Julie, team,

Thank you for your patience while we've managed schedules across global teams, and thank you too for providing these suitable meeting slots.

Assuming it will still work on your end, we are pleased to confirm Friday 25th, 9:00am – 10:00am AEDT for the virtual meeting. Appreciate the AEC has certain security requirements around video conferencing so, please let us know if you are happy to provide a link for this engagement.

We look forward to collaborating with you on the final agenda and details this week but, please do let me know if you have any questions in the meantime.

Hi Julie,

I hope you're keeping safe and well in these complex times we find ourselves in.

We would be more than happy to facilitate this virtual meeting in the coming weeks. Thank you for the introduction – Tessa, I'll be in touch with you directly regarding scheduling and to identify some appropriate dates and times for the meeting.

In terms of the agenda and proposed topics, please do let me know if there are particular areas or additions you would be keen to discuss, so we can ensure they are appropriately covered by our teams in the session.

Thank you too for your continued partnership. As you know, it is deeply appreciated by our teams. Let me know if you have any additional questions at this stage otherwise, we will be back in touch soon.

Afternoon s 47F and s 47F

Looking to put in a request on behalf of Mr Jeff Pope, in his capacity as both Deputy Electoral Commissioner and Chair of the EIAT Board. I understand you attended and/or were involved with arranging Mr s 47F s 47F meeting with your U.S. counterparts in December last year? As Mr Pope was unfortunately unable to travel, we are looking to replicate this engagement virtually for mutual benefit.

Agenda is proposed to run along similar lines, including opportunity for both sides to speak on latest developments in our respective areas. Happy to provide a draft for your consideration as we progress.

Regarding logistics; we understand that given time differences, out of Australian office hours might be required, but are looking to get time in the calendar before Monday 28 March.

If you would like to talk through possibilities please do give me a call. I have included here, Ms Tessa Martin, who will be able to provide advice on Jeff's calendar.

In the meantime, we are still working away here on our preparations and really appreciate your engagement with our teams across the agency in the last few weeks.

Kind Regards

Julie
