Clearance Notification

Tom Rogers has approved [Minute - Media placement Rule 18 FINAL \(A2745694\)](#). s 22

Comments from previous task:

OK - this is a complex area. I'm deeply nervous about the TikTok issue, and I understand both sides of the argument (and the opprobrium that awaits no matter which way we go). I'm happy to approve all recommendations other than the rec relating to TikTok. I will further discuss that issue with ELT before making a final decision. Many thanks for all the great work with this - it is excellent.
