Hi s 47F

No worries.

Yes, legal notices and data preservation requests should be submitted here:
<https://www.tiktok.com/legal/report/lawenforcementrequest>

This goes to s 47F (Law enforcement team based in Singapore). Happy to bring him along to the next meeting if you'd like to meet.

s 47G(1) and the new TSET channel are for the purposes of reporting content for review and potential takedown.

Hope that clarifies things but let me know if you need more information.

Cheers

Hi s 47F

Thanks for meeting and sharing some insight into TikTok's referendum hub.

I did think of a question while we were speaking that wasn't entirely related to the discussion and am wondering if you can assist. TikTok Singapore recently advised that data requests be directed to them, see attached. You previously mentioned the s 47G(1) inbox will soon/ eventually not be monitored. Can you confirm the best address for issuing legal notices?

Many thanks,
