Thanks s 47F and no problem.

Can you please confirm who/how many people to expect so we can prepare an appropriate room?

I have considered what else we could cover in the meeting and would offer up the following as a rough agenda:

- FE22 Feedback, as mentioned great event for our engagement however AEC also interested in any anecdotal information relating to your general election observations, and for example common or emerging electoral themes that were raised with yourselves? Any feedback on ability to apply electoral legislation? Etc.
- Potential preventative measures and collaborative actions to consider ahead of future events
- Policy questions ahead of potential future referendum
- ECANZ working arrangements, feedback on current version to feed into upcoming reviews.

Happy to chat ahead of Friday and keep things relatively informal if that works for yourselves?

Re. Victoria State election: I will double check the contact I have in mind is still best placed and let you know in the coming days.

Kind regards

Hi s 47F

Cool lets lock in 1.30pm.

Certainly happy to do a post-election debrief though I do want to note it was actually fairly uneventful for our platform (a good thing) so we might not have an overwhelming amount of things to speak to from our end.

On state elections - we have a good existing relationship with the electoral authority in NSW but would certainly appreciate an introduction to the Victorian Government.

Thanks!

Thanks s 47F

We can get some time at 1.30pm with the team. We have a large room here at AEC, so please fwd invite as necessary.

Looking at a basic agenda - Would be great to use our time for a post-election debrief. Happy to touch on the Statement of intent in a review sense, however I note the broader state and territory electoral commissioners are meeting mid-July so I will have a lot more after this on the way forward.

What in particular are you looking for in terms of upcoming state/territory elections? Happy to put you in touch with the relevant teams at the other commissions?

Cheers

Hi s 47F

Great. 11.30am or immediately after lunch time (say 1pm onwards) would be ideal for us!

Thanks

Hi s 47F

Great timing as was looking to send something out today on statement of intent.

1 July is good for my and s 47F teams so will look to put something in. What timing options are available from your side?

Kind regards

Hi s 47F

Hope you have been well and had a chance to rest since the election.

The TikTok Public Policy team will be in Canberra 1 July, and I was wondering whether it would be an opportune time for us to have a post-election catch up and potentially discuss the Statement of Intent and upcoming state elections.

As you are aware we have been working closely with s 47F team and the EIIF as well, so we'd be happy to meet with everyone together but I thought I would reach out to you first.

Let me know your thoughts!

Kind regards

Many thanks s 47F, appreciate your responsiveness noting we are presuming this comment is in relation to the changes to secure telephone voting eligibility.

Hi **s 47F**

Hope all is going well (as can be) today.

Just thought I would let you know that yesterday we took note of the rule change regarding postal voting and have updated and applied our electoral misinformation policy accordingly.

We have taken appropriate action on content that promoted now out-of-date information on the election and voting rules.

Best of luck!
