Hello,

We appreciate all your help with this report. We've reviewed again, but we couldn't find a violation of our rules.

We know this can be frustrating, especially after you took the time to send us more information. We count on reports like yours to help make Twitter more enjoyable for everybody. After taking context, behavior, and other factors into consideration, we haven't found any offenses that would lead us to suspend them.

If you want to avoid this account, we recommend using [mute or block](#). These can hide their Tweets from you, or stop them from seeing anything you post.

Thanks,

Twitter
