Hi Twitter,

Thanks for reviewing this content. We would greatly appreciate you re-reviewing the tweet and removing it in line with your Coordinated harmful activity and Abusive Behaviour policies.

In response to the AEC account, the user wrote "Stop interfering in policy, or pay the price". As with our previous referrals to you, safety of AEC staff is of the utmost importance to us. Given this, and the increased levels of threats to electoral management bodies, we take any messaging of this type very seriously. This includes potentially implicit threats, such as this one.

Your prompt assistance on this matter would be much appreciated.

Kind regards,

[REDACTED]

Australian Electoral Commission
