Hi Section 47f

Just following up to see if any decision had been made about the Trusted Flagger program? It's not a problem if you are still considering - will just need to let our training teams know.

Cheers,

Many thanks for providing this information - we're certainly interested in considering and will get back to you shortly. Before we do, it would be helpful to could confirm if the following emails can all be made Trusted Flaggers;

- socialmedia@aec.gov.au
- EIAT@aec.gov.au
- authorisationsection@aec.gov.au

Also, if our participation can remain ongoing or will lapse between federal events? Appreciate you reserves the right to remove participants who don't participate significantly in the program.

Many thanks,

Hi 

Thanks for your time yesterday. It was really informative to learn about the AEC's plans for the upcoming referendum.

I promised to share some further information about YouTube's Trusted Flagger program, which can be found [here](#). As I mentioned, if the AEC was interested, we would propose onboarding under our misinformation and hate speech verticals within the next four weeks or so. The time commitment for the team would be about an hour.

Please let me know if this is something you'd be interested in pursuing and I can make the necessary arrangements. I'd also be happy to answer any further questions you might have.

All the best,
