Hi Section 47f

Thanks for your email

It's preferable to have one email address but we can be flexible! So yes, all of those emails could be registered.

And participation is usually ongoing. I can make sure our teams understand that we are unlikely to see a high level of flags from the AEC between federal events. I don't imagine that will be a problem.

Please let me know if there's any other questions I can answer.

If not, have a great weekend!

Cheers,

Hi Section 47f

Many thanks for providing this information - we're certainly interested in considering and will get back to you shortly. Before we do, it would be helpful to could confirm if the following emails can all be made Trusted Flaggers;

- socialmedia@aec.gov.au
- EIAT@aec.gov.au
- authorisationsection@aec.gov.au

Also, if our participation can remain ongoing or will lapse between federal events? Appreciate you reserves the right to remove participants who don't participate significantly in the program.

Many thanks,

Hi 

Thanks for your time yesterday. It was really informative to learn about the AEC's plans for the upcoming referendum.

I promised to share some further information about YouTube's Trusted Flagger program, which can be found [here](#). As I mentioned, if the AEC was interested, we would propose onboarding under our misinformation and hate speech verticals within the next four weeks or so. The time commitment for the team would be about an hour.

Please let me know if this is something you'd be interested in pursuing and I can make the necessary arrangements. I'd also be happy to answer any further questions you might have.

All the best,
