Hi Section 47f

No worries at all - understand how busy you must be!

We'd be happy to provide a copy of the NDA but require the following details to do so:

- Full name
- Email address
- Physical Address
- Job Title

I know you mentioned you'd like to onboard a few but details for just one email account holder would suffice.

And in terms of policy verticals, our focus would be on misinformation (which is broader than election misinformation and should realistically cover the issues we'd anticipate could arise in the context of the referendum) but thought it might be sensible to cover hate speech as well. If you'd prefer to cover just misinformation that is fine with us.

Cheers,

Government Affairs and Public Policy - Australia and New Zealand

Apologies for the delay in getting back to you. We're still considering, but would appreciate if you could please provide a copy of the NDA participants are subject to. Also seeking to clarify if we will be reporting against the [policy vertical](#) of misinformation or elections misinformation, as well as hate speech.

Again, appreciate your patience.

Kind regards,

Hi Section 47f

Just following up to see if any decision had been made about the Trusted Flagger program? It's not a problem if you are still considering - will just need to let our training teams know.

Cheers,

Hi Section 47f

Many thanks for providing this information - we're certainly interested in considering and will get back to you shortly. Before we do, it would be helpful to could confirm if the following emails can all be made Trusted Flaggers;

- [socialmedia@aec.gov.au](mailto:socialmedia@aec.gov.au)

- [EIAT@aec.gov.au](mailto:EIAT@aec.gov.au)
- [authorisationsection@aec.gov.au](mailto:authorisationsection@aec.gov.au)

Also, if our participation can remain ongoing or will lapse between federal events? Appreciate you reserves the right to remove participants who don't participate significantly in the program.

Many thanks,

Hi Section 47f

Thanks for your time yesterday. It was really informative to learn about the AEC's plans for the upcoming referendum.

I promised to share some further information about YouTube's Trusted Flagger program, which can be found [here](#). As I mentioned, if the AEC was interested, we would propose onboarding under our misinformation and hate speech verticals within the next four weeks or so. The time commitment for the team would be about an hour.

Please let me know if this is something you'd be interested in pursuing and I can make the necessary arrangements. I'd also be happy to answer any further questions you might have.

All the best,

Section 47f
