Hi Section 47f

Thanks for your time yesterday. It was really informative to learn about the AEC's plans for the upcoming referendum.

I promised to share some further information about YouTube's Trusted Flagger program, which can be found [here](#). As I mentioned, if the AEC was interested, we would propose onboarding under our misinformation and hate speech verticals within the next four weeks or so. The time commitment for the team would be about an hour.

Please let me know if this is something you'd be interested in pursuing and I can make the necessary arrangements. I'd also be happy to answer any further questions you might have.

All the best,
