Good morning!

Great – thank you for confirming. And looking forward to meeting the new-starter too.

In the first instance, confirming you’re happy with us invoicing the below two invoices (emailed to [redacted] and cc’ing s 47F)?

Hello!

Apols for the double up email here.

- Two things:
- 1. Appreciate there are some staff movements on your end – with that in mind, could you please confirm whom we should be addressing our invoices to? Please & thank you.
 - 2. Please disregard the OOH & Print price quote that was included below – we have not yet formalised that estimate. My mistake. Updated finance tracker attached.

Let us know if you have any Q's.

Thanks!

Hello!

Just chiming in on this thread to provide the promised [finance tracker](#).

Please find this attached.
To call out: below (also in the tracker) are the suggested payment terms for each PQ. Highlighted in yellow are those that we'd be looking to invoice next week.

If you could please confirm you're comfy with these payment terms that would be great. Everything is as per the contract terms so hopefully no issues – am conscious of EOFY though so shout if you have any concerns.

Hi s 47F,

As per processes and previous work we need to formally get estimates approved. If you could arrange to have signed and sent back that would be great.

These are all as per the agreed SOW costs for the un-dated phase. Given we’re waiting for a few elements to be confirmed on film we have started with:

- Etainer fees across ACM, planning and creative
- Digital display
- Content & social
- Adbank

We’ll formalise the TVC costs once we have confirmation on the Authorisation message, hopefully this week.

Please let me know if there are any questions.

Thanks,

s 47F
