Dear colleagues:

I note that the AEC has received a Response to the Objection for registration of the Australian Democrats, and this has been placed on the AEC website. I note that the Response has been, in part, redacted to protect the identity and withhold personal details of individual persons. I would like to request, as a matter of urgency, that the Response be redacted in whole to protect the identity and withhold personal details of individual persons, including myself. I should add that I believe that some of the assertions made may be defamatory, and I think it may be inappropriate for these to be allegations to be published on the AEC website.

Kind regards,

1 [REDACTED],
