Good morning 1 [REDACTED]

Thank you for your correspondence. The Australian Electoral Commission (AEC) has made further redactions to the response document by the Australian Democrats (the Party) to remove any names or other identifying information that may have been present. The AEC has published the updated version on the AEC website here:

www.aec.gov.au/Parties_and_Representatives/party_registration/applications/files/2019/australian-democrats-response-001-redacted.pdf.

Please find attached correspondence regarding your objection to the Party's application for registration. A copy of this correspondence has been posted.

Kind regards

Subject: Request for redaction (Response to Objection)

Dear colleagues:

I note that the AEC has received a Response to the Objection for registration of the Australian Democrats, and this has been placed on the AEC website. I note that the Response has been, in part, redacted to protect the identity and withhold personal details of individual persons. I would like to request, as a matter of urgency, that the Response be redacted in whole to protect the identity and withhold personal details of individual persons, including myself. I should add that I believe that some of the assertions made may be defamatory, and I think it may be inappropriate for these to be allegations to be published on the AEC website.

Kind regards,

1 [REDACTED],
