Dear sir/madam:

I am the 13 [REDACTED] for the Australian Democrats (Queensland Division) Incorporated, and we are preparing an objection against the current application for registration for the name Australian Democrats. I was wondering if you might provide some detail on the policy of AEC in de-identifying objections. For instance:

1. I would assume that my name is not de-identified. Is this correct?
2. Are the names and identifying details of other individuals on supporting documents redacted?
3. If so, how?

I attach a document which we are thinking of forwarding, by way of supporting documentation for the objection.

Kind regards,

1 [REDACTED]
